

Drive Time Log Sheet

Student's name

Permit number

If you are under 18 at the time you apply for your driver license, you are required by law to submit a log of your driving experience. The log must show a minimum total of 50 hours, with 10 hours of those 50 hours having been driven at night. You must submit the completed Drive Time Log Sheet at the time you apply for your license.

The Drive Time Log Sheet is used any time you drive. Record the date, verifier's initials, day driving time, night driving time, and grand total each time you drive. The comments section is optional for licensing purposes, but may be useful for you to track your progress.

The 50 hour total may include your 6-hours of behind the wheel training with a driver education provider (if applicable). If you live more than 30 miles from the nearest driver education provider and are completing 12 additional hours of training in place of 6 hours with a driver education provider, the 12 hours is IN ADDITION to the standard 50 hour requirement, for a total of 62 hours.

You may make photocopies of the drive log if you need more than one to record the required driving time. When you are eligible and have reached the required totals, verify the totals on your Drive Time Log Sheet(s) are accurate. Enter these totals into the appropriate boxes below. Your parent, guardian, or a responsible adult must then sign and date verifying your driving and night driving totals.

To complete your application for a license, your TOTAL DAY DRIVING TIME, TOTAL NIGHT DRIVING TIME and GRAND TOTAL DRIVING TIME must be recorded. Your GRAND TOTAL DRIVING TIME must be at least 50 hours and your TOTAL NIGHT DRIVING TIME must be at least 10 hours. Your application for a license will not be accepted without the totals of each listed below and must include a signature from a parent, guardian, or responsible adult below.

TOTAL DAY DRIVING TIME

Must be at least 10 hours

TOTAL NIGHT DRIVING TIME

**GRAND TOTAL DRIVING TIME
(NIGHT + DAY)**

Please check all totals prior to signing. By signing below, I certify that the above total hours of driving experience is true and accurate.
